Healthy Hints from our Congregational Health Team

You seldom need to tell a kid to go out and play – we are born with an instinct for having fun, and a growing body of research suggests that we grown-ups would all do ourselves good by reconnecting to that fun of being a kid. Cultivating a playful attitude actually makes you more creative and strengthens relationships.

ROGER, GLADYS ULMER AND FAMILY would like to say a big "Thank You" for all your thoughts and prayers of concern shown to our family the last three months. During my hospitalizations and my surgery, we were very much aware of the prayers. We have a very supportive church family, and of course, Pastor John is a fantastic leader for us. His untiring visits are priceless. We are very fortunate to have John and Peggie with us. We are so thankful for the cards, phone calls, visits and meals. **OUR HEARTFELT APPRECIATION TO ALL.**
