Envelopes marked "Scott Hollinger Fund" are on the narthex table for your convenience.

Healthy Hints from our Congregational Health Team

Did you know ... Green tipped bananas may be better for you than their brown-spotted counterparts. Under-ripe bananas have less sugar and more resistant starches, which may help burn fat and lower blood glucose.

I WOULD LIKE TO EXPRESS MY APPRECIATION to all at Hempfield COB for your financial gifts and faithful prayers that helped to make possible my recent trip to Liberia with a team from Cedarville University. God provided everything our team needed and accomplished much more than we anticipated in our excursion to West Africa. I am looking forward to sharing with you in a future presentation the details about our two weeks in Liberia. If you would like news about this trip before then please email me at ray.hutchison@sim.org and I will forward our most recent newsletter to you which highlights this trip. Thanks again for helping to make this year's visit to Liberia a success through your gifts and prayers.
