You are invited to join the **Combined Summer Sunday School Class Series** which will be held in the renovated classroom on the first floor at the west end of the education wing (behind the new restrooms). The series will feature a study of the Gospel of Mark which will coincide with the preaching themes of our pastors this summer. Mark's gospel is much like a travel guide following the journey of Jesus as he leads his disciples along a path of discipleship. Come and join in this journey as we discover more about what we can do to become and act more like the disciples of Jesus.
